

## Elasticizer & Defining Curls

---

Elasticizer & Defining Curls is a cream for defining curls, which gives elasticity and compactness to curls, prolonging their vigor over time. It has a strengthening and elasticizing effect, creating natural volume. Eliminates frizz and leaves hair shiny and silky smooth.

- Create perfect curls
- Improves the "wavy" effect
- "Spring effect"
- "Brightness" effect

### How to use:

It can be used on both wet and dry hair. Massage a suitable amount of product between your hands and distribute it along the entire length of the hair, from roots to ends.
