

Sealing & Enlightening Oil

Leave-in oil with nourishing, restructuring, and protective properties. Sealing & Enlightening Oil is enriched with precious active ingredients which, thanks to their high affinity with the hair, have an instant softening, repairing, and shine-enhancing effect. Its long-lasting conditioning and smoothing action protects hair from humidity. Helps redefine tips and smooth cuticles.

How to use:

Can be used on damp hair (before drying) or on dry hair. Damp hair: apply a small amount and proceed with styling. Dry hair: apply a small amount, especially to the ends, and comb through. *Extra Active Ingredients*: Shea Butter Extract (emollient that prevents breakage and split ends) - Coconut Oil Extract (rich in fats and vitamin E with strengthening, emollient, and detangling properties).
